

Family Worship Guide

While gathering online is not the ideal way for the church to meet, technology allows us the ability to be together in mind and heart, even when we cannot be physically present. We will miss seeing each other's faces, hearing each other's voices, and the encouragement that comes with being together, but we can keep the connection in other ways if we are purposeful. To help with that, we have provided some tips to make the most of our online gatherings...

Prepare yourself to worship

- Pray, asking the Lord to still your heart and mind and to speak to you and to others
- Pray for those leading as well as others following along, possibly some who do not know Jesus

Fight to be present

- Do your best to engage, listen, and be present.

Start getting ready early

- We will start promptly at 11am! Go ahead and jump on early!
