Romans: The Renewed Mind Romans 12:3-8

The renewed mind leads to:

1. _____ - vs. 3
2. _____ - vs. 4-5
3. _____ - vs. 6-8

Recommended discussion questions for Romans 12:3-8

- Romans 12:1-2 are often memorized and cut off from the rest of the chapter. This leads to confusion. What word in verse 3 links verses 2 and 3? What is the significance of this?
- A renewed mind is the mind of the Master. Notice how Jesus thought in Phil 2:5-11. Be sure and get the context by reading 1-4 first.
- What are some implications of being "members of one body?" 1 Cor 12-14 will give you additional insights into this.
- In addition to the term "Body" there are five other metaphors used to describe the church. How many can you name? Think and talk about how this clarifies who the church is and what it is to be doing.
- With how God has gifted you, what does engaging in ministry in the local church look like for you right now? How can you faithful to practice this text in your own life this week?
